C Am  
Hold on to love  
Em G

And from above  
Em G  
Everything's stinking They're not around you  
C Am  
And in the night I could be helpless

I could be lonely, sleeping without you  
C Am  
And in the day, everything's complex  
Em G  
There's nothing simple when I'm not around you

C Am  
But I miss you when you're gone  
Em  
That is what I do
